

LITTLE MAN HAPPY

FIT COMES FIRST. STYLE FOLLOWS.

Styles for the next generation — made to move, built to last.
T-shirts, hoodies, shirts, and sweats come with a loose fit that's easy to wear and hard to grow out of.
Bottoms are cut with room to breathe — longer rise, wide legs, chill waistbands.

Close-fitting styles like leggings or ribbed tops flex with the body — stretch does the heavy lifting.

We size by height — not age.
Go with the size that matches your kid or teen's height in cm.
In between sizes? Size up. You'll get more wear and keep the fit just right.

Even as they grow, the shape stays on point — shorter doesn't mean out of style.

Still unsure? Just reach out — we've got you.
